ELIMINATING PROTOZOA

INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents

Washington, D.C. 20231

Sir:

In compliance with Rules 1.97 and 1.98, and in fulfillment of the duty of disclosure under Rule 1.56, the following documents, copies of which are attached to this statement, are made of record on the enclosed sheet.

A concise description of the relevance of the following items is provided on pages 3-8 of the present specification:

References listed on pages 2-3 on the attached PTO-Form 1449.

In addition, the remaining documents, copies of which are attached to this statement, are also made of record on the enclosed sheet.

A concise explanation of the relevance of these latter items is that we are advised by our client that these references were cited by the Patent Office in the corresponding

Serial No. 09/975,953

International application Serial No. PCT/FR00/00981, filed April 14, 2000. A copy of the International Search Report in which they were cited is attached hereto.

Respectfully submitted,

YOUNG & THOMPSON
